PTO News

All volunteer opportunities are posted to the HL Johnson Sign Up page :

<http://signup.com/go/pzUzdxC> (case sensitive). This is updated regularly with new activities. If you need help with signup, contact Julie Highsmith at hljaguarpto@gmail.com.

Keep up-to-date with what's going on and ask questions in our PTO Facebook group. Search: H L Johnson PTO and request to join.

If you, or someone you know, is interested in participating in our upcoming Spring Scene, please email Julie, hljaguarpto@gmail.com for more information.

Daddy Daughter STEM Night, fun way to raise money!
Friday, March 6, 2020 5:30-8:30pm SFSCA.

With each H.L. Johnson Elementary guest registered during the fundraising event, SFSCA will donate 15% of the proceeds to the school!

Register: SFScienceCenter.org/DaddyDaughterNight
Email questions: education@sfsciencecenter.org

Relay for Life Western Communities

Relay for life will be held on Saturday March 14 at the South Florida Fairgrounds from 2pm-10pm. Relay for Life is the ultimate team fundraiser for the American Cancer Society that brings communities together to fight cancer. It is an opportunity for us to remember loved ones lost and honor survivors of all cancers. If you would like join our team, please go to Relay for Life Western Communities and join team H.L. Johnson Elementary School. Can't join our team? Please help by considering a donation to this amazing organization via our team page. We also are selling Smelly Pencils again this year for \$1.00, all proceeds goes towards HLJ's Relay for Life Team!!

Green Day 3/19/2020

Green Day participation has increased to 12% of students. We hope to increase to 20% before the end of the year. Help us by sending in your recyclables on green day and donating in the textile bin (email pic to hljteamgreen@gmail.com). Many of these collections earn money for the school!

Nurse's Corner

~March is National Nutrition Month. This year's theme is "Go Further with Food." Making small changes during this month and over time, helps improve health now and into the future. Choose healthier options when cooking at home or dining out. Set a good example for your children. Make sure that your children are starting off each days with a good breakfast at home or at school. This is especially crucial during test-taking time.
